Education

Full Stack Web Development
Masai School, Bengaluru
Oct 2022 - Aug 2023

Diploma in Electrical Engineering
Jamia Millia Islamia, New Delhi
Jul 2017-Sep 2020

Technical Skills

JavaScript Node.js

Express.js HTML5 CSS3

MongoDB Prompt Engineering

Django Angular Python

SQL React

Soft Skills

Teamwork Adaptability

Effective Communication

Problem Solving

Mohd Saif Khan

Full Stack Web Developer

Professional Summary

Proactive Full Stack Web Developer with expertise in JavaScript and the MERN stack. Proficient in API design, NodeJS, and database management. Strong problem-solving skills, detail-oriented, and a collaborative team player. Dedicated to staying updated with emerging technologies and using Generative AI for innovative solutions.

Projects

EduTaskHub   Live Demo Link   Github Repo Link

Django Angular TypeScript PostgreSQL

Tailwind CSS HTML

- Created an innovative educational platform using Django, Angular, TypeScript, and PostgreSQL
- Created instructor-focused features, enabling effortless assignment, course, and announcement creation, along with the ability to view student submissions handling with robust authentication.
- Designed student-centric features like easy registration, course enrollment, and streamlined assignment management handling with robust authentication

MirrorMate   Live Demo Link   Github Repo Link

Node.js Express.js Socket.io MongoDB

JavaScript HTML5 CSS

- Developed a user-friendly video chat platform using Node.js, Express.js, Socket.io, MongoDB, JavaScript, HTML5, and CSS.
- Implemented login, signup, and OAuth features for user authentication.
- Created a messaging chat feature for real-time communication between users.
- Designed and developed room creation functionality for users to create and join video chat rooms.

- Took on the role of team lead, overseeing project development and coordinating with team members.
